

## ACKNOWLEDGEMENT & UNDERTAKING

(To be acknowledged and submitted by the Parent/Legal Guardian of student where the applicant is below the age of 21 years)

I, Ismail Bin Musli (full name as stated in NRIC), allow my child/ward MUHAMMAD ANIQ SUFI BIN ISMAIL (name) to attend the Overseas Education & Learning Programme (Domain Specific) (overseas programme type), hereby referred to as "Programme", organised by Nanyang Polytechnic from 30-Sep-2025 (day/mth/year) to 30-Sep-2025 (day/mth/year) in MALAYSIA (country).

The following are for your acknowledgement and undertaking:

1. I have read and understood the programme itinerary, and we are aware of all associated risks, related costs and requirements. I acknowledge that I allow my child/ward to participate in the Programme voluntarily and with knowledge of these risks.
2. I am aware that for Overseas Student Exchange Programme (OSEP) and the Overseas Internship and Attachment Programme (OIAP), there will be no accompanying staff, unlike for the other types of Overseas Programmes including Overseas Education and Learning Programmes (OELP), Youth Expedition Programme, etc.
3. I am aware that while Nanyang Polytechnic will use all reasonable efforts to engage reliable service providers (where applicable), these service providers such as airlines, ground transport providers, hotels and travel agencies are not agents, partners, servants or employees of Nanyang Polytechnic. As such, Nanyang Polytechnic shall not assume any responsibility for the acts or omissions of these parties.
4. I hereby undertake that I shall not hold Nanyang Polytechnic and their respective officers, representatives, employees, volunteers and agents responsible for any loss or damage or any injury, illness or loss of life which may be sustained during or arising from participating in the Programme (including all travelling), by my child/ward.
5. I understand that my child/ward will have to cooperate fully with Nanyang Polytechnic on the above-mentioned Programme and comply with programme conditions, guidelines and regulations as set out by Nanyang Polytechnic or the organizing agent authorized by the polytechnic. This will include (but not limited to) the mandatory requirement for students to purchase adequate insurance coverage prior to travel.
6. I acknowledge that all costs related to the Programme will be borne by me, unless the Programme has received funding support. NYP will not be responsible for any financial costs incurred for the Programme in the event that the Programme does not materialise, has to be suspended mid-way arising or resulting from, or in connection with any emergency, contagion or security situation.
7. I acknowledge that I am fully responsible for my child's medical fees, travel expenses, quarantine accommodation costs, contagion-related tests or other costs related to the measures imposed at that point of time, both in the host country and Singapore, in the unlikely event of a health contagion similar to COVID-19.
8. I acknowledge that any requested special dietary requirements during the Programme would be taken up through the service providers. In the case of Halal food requirement, I understand that it is not possible for all food establishments, during the trip, in certain destinations to be Halal. Whilst all reasonable efforts are expended to arrange for meals at no-pork/no-lard eateries, I am aware that my child/ward could be served no-pork/no-lard meals in eateries that also serve pork dishes.
9. I have read and fully understood all the sections in this acknowledgment and undertaking form by Nanyang Polytechnic and ensure that my child/ward fully understands the same, and that all the information provided herein are true.
